03 / EXPLORE WORDS

Word ladders

Turn the first word into the last by changing exactly one letter at each step. Keep letters in the same positions and make a real English word on every rung. No names or abbreviations.

EASY CAT to DOG in three changes. Two clues are provided.

C	A	T
D	O	G

Change one letter each time.

First missing word: a small bed.

Second missing word: a tiny round mark.

Three changes = four words in total.

MEDIUM COLD to WARM in four changes. Find the three missing words.

C	O	L	D
W	A	R	M

This time, you choose the route.

Use the blank rungs to build a chain. Every word must have four letters, and each neighbouring pair must differ in exactly one position.
